White-label or branded solutions available and already in market

OEM dealership consumer app development to improve post sale access to the customer to optimise commercial/customer service outcomes

Trusted by some of the biggest and most respected automakers and OEMs in the world

Global solution. Telecom agnostic

High-value low-cost solutions which are easy to implement and use

Highly scalable solution

## FY2018 OVERVIEW AND ACHIEVEMENTS

- Corporate restructure and comprehensive review of overheads completed to bring expenditure in line with budgeted revenue
- Maintained above-budget growth of Commercial Link subscriptions in the USA, Canada and Mexico
- New Agreement announced on 29 August 2018 with GM for its Courtesy Transportation Program ("CTP")
- CTP is currently on-budget and on-time to be delivered to GM OnTRAC customers
- CTP soft launch date is 1 December 2018 (on schedule) with full launch date to be completed 2 January 2019 (on schedule)
- Short term work order book is positive, with GM change orders received requesting additional features to Commercial Link, and also additional GM uses for Commercial Link and CTP
- Product development interest is strong from large automobile companies to lead and develop internal product assistance tracking programs development of these to take place in Q1 2019

# 2018 FINANCIAL YEAR RESULTS (AUD)

Net Profit After Tax \$329,763

Enabling the future of the automobile

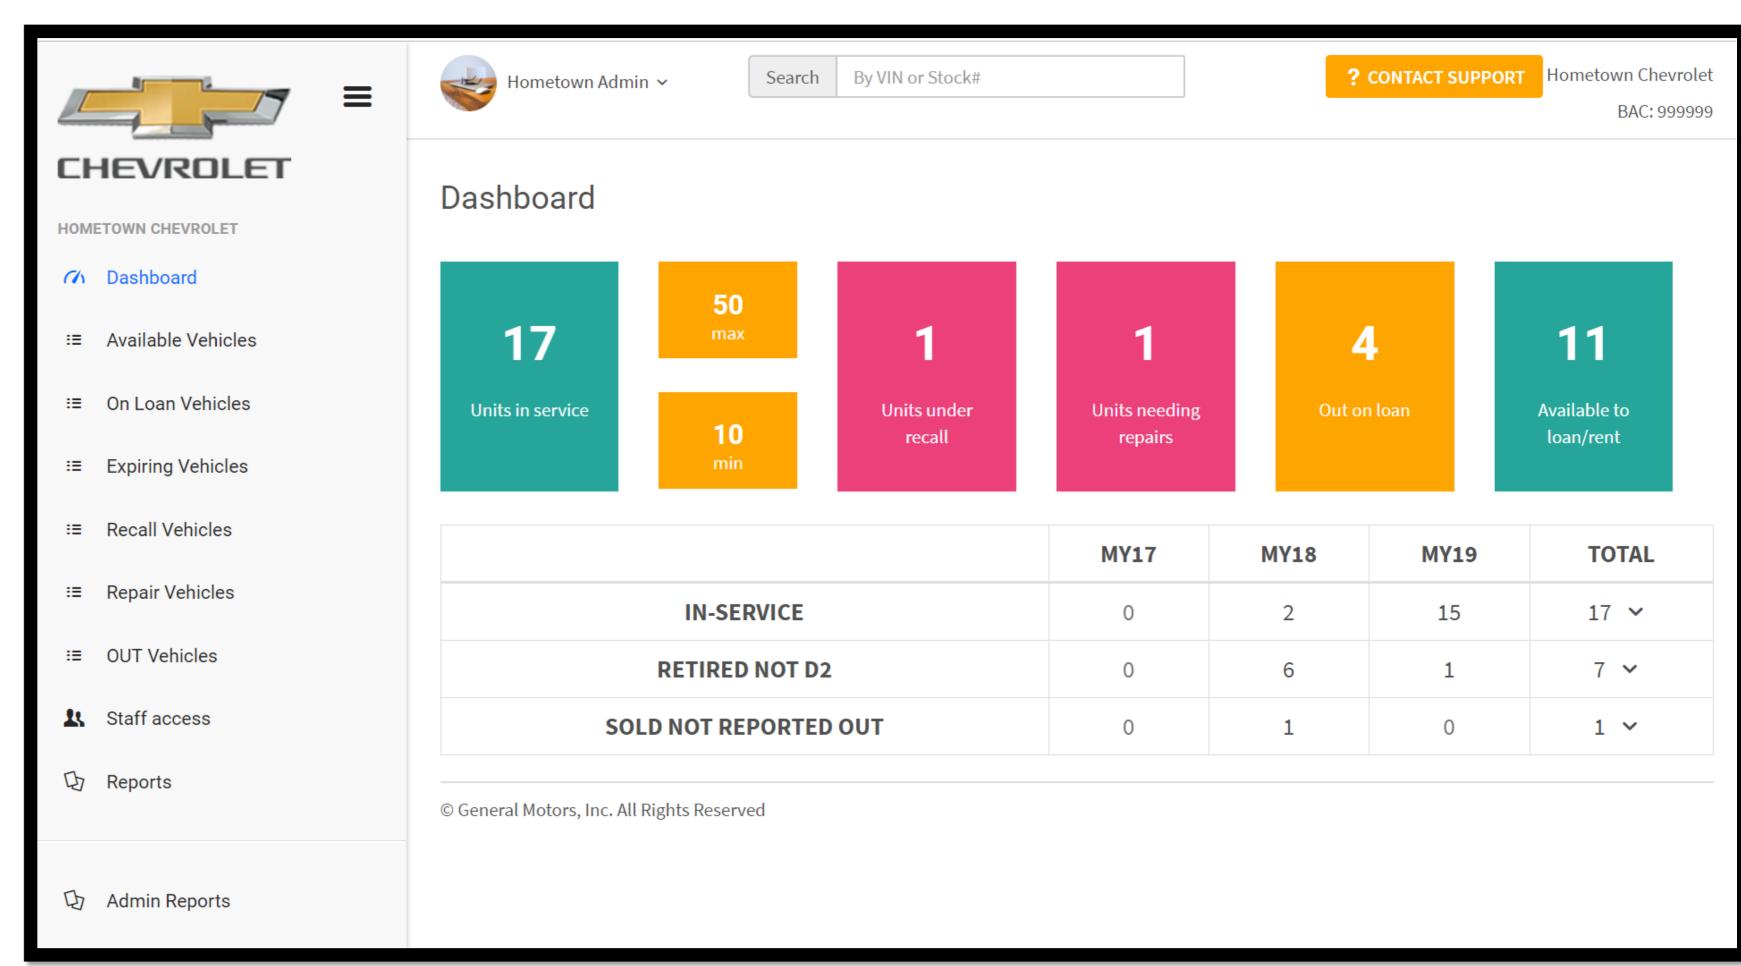

Enables customer convenience for:

- Courtesy vehicles (service loan cars)
- Test driving the latest GM vehicles
- Rental vehicles

GM Pays dealer per demonstrator vehicle for time & mileage use by qualified customers

CTP will be promoted by GM under "OnTRAC" banner

### **COURTESY TRANSPORTATION PROGRAM**

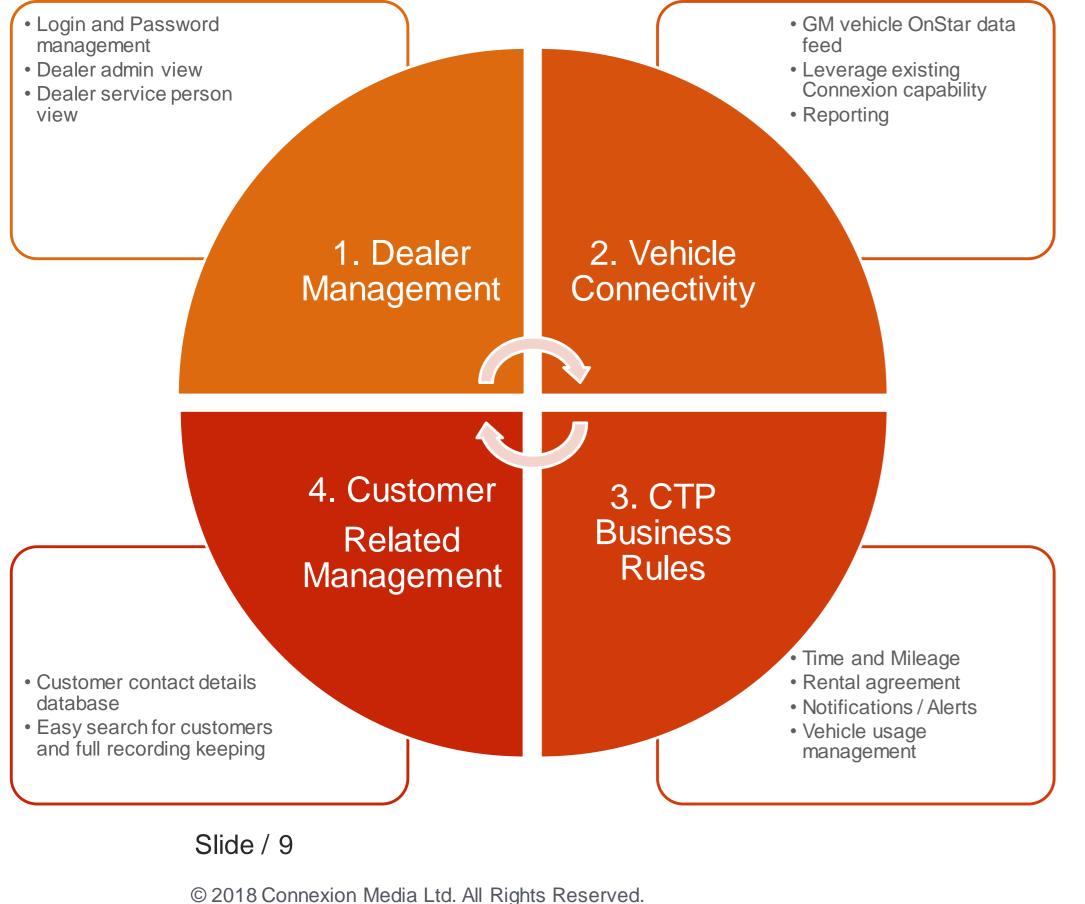

#### CONNEXION

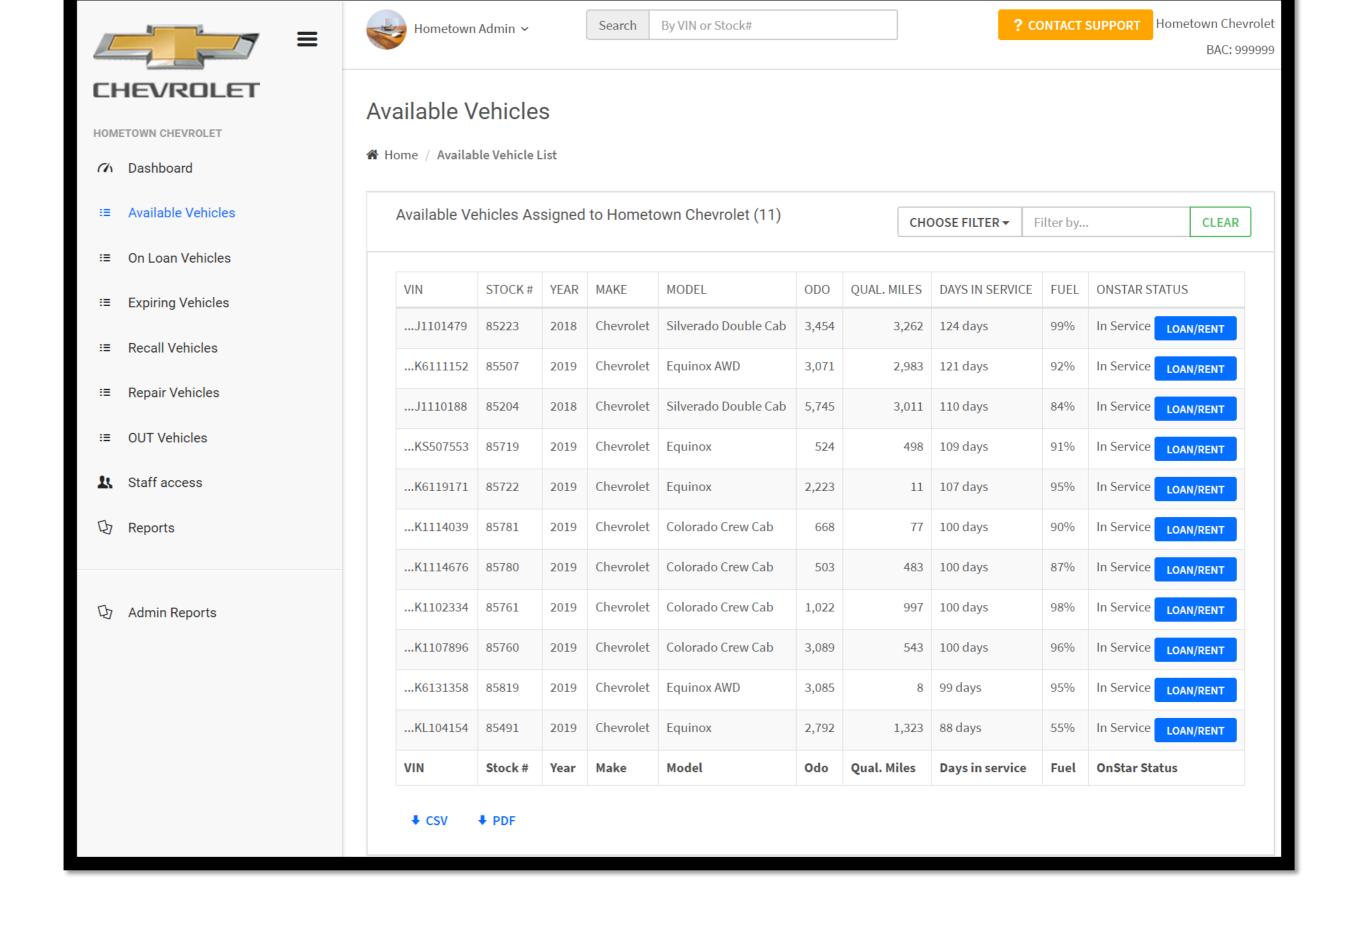

### **COURTESY TRANSPORTATION PROGRAM**

Enabling the future of the automobile

- Enables 3,441 dealers to meet GM audit requirements
- Removes dealer need to manually check vehicle odometer and fuel
- Allows dealers to better focus on their core sales function
- Designed, built, supplied and operated by Connexion

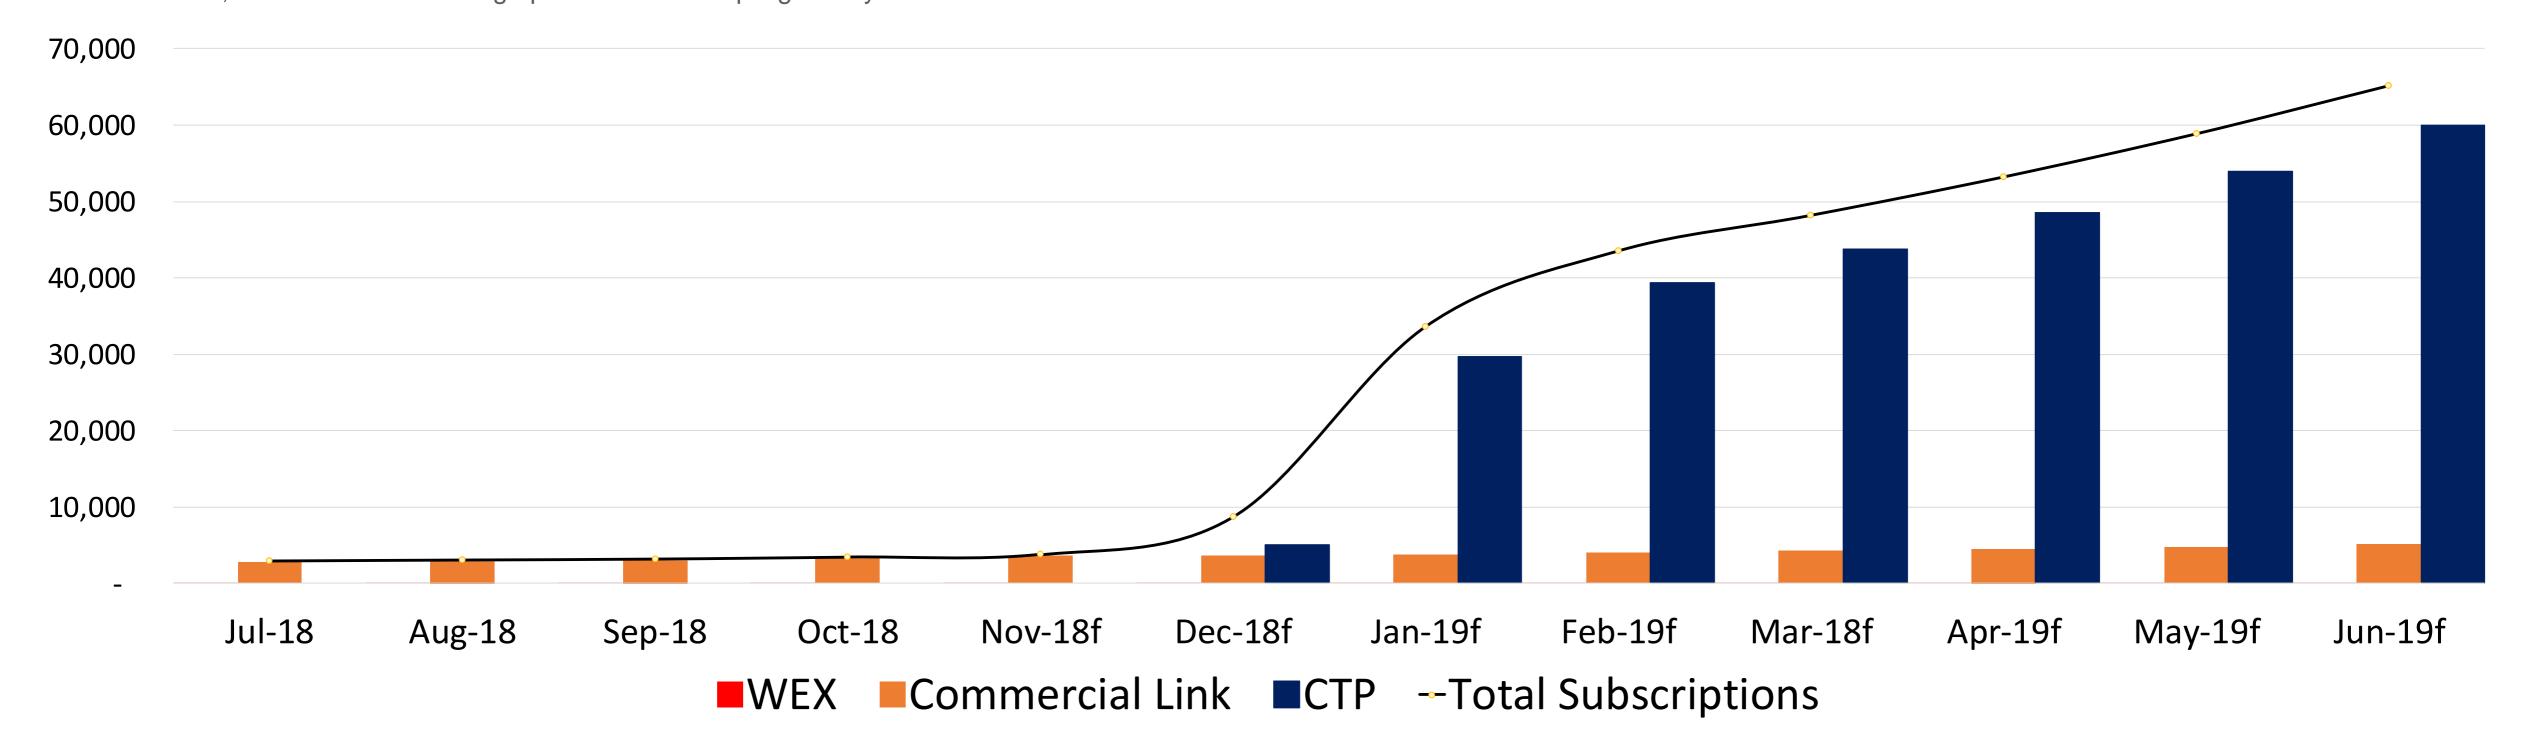

### **FORECAST**

	Commercial link	CTP
FUNCTIONAL SCOPE	Fleet Management	Dealer Automation
BUDGET TARGET SUBSRIPTIONS	5,059	60,000
SUBSCRIPTIONS UNDER MANAGEMENT	3,800	0*

<sup>\*</sup> Currently 52,597 vehicles pre-enrolled in the 2019 Courtesy Transportation Program. Soft launch of the vehicles into the new CXZ-powered Courtesy Transportation Program will take place in December, with all vehicles being uploaded into the program by June 2019.

#### 1. 100% Owned technology Assets

- 2. Software as a service growth for Sale
- 3. SaaS Algorithm Development

### VALUATION IMPROVEMENT DRIVERS

4. Proven Valuation Models:

#### **Key Attributes**

- Origination of service
- Control of all service delivery aspects
- Portability of code and infrastructure
- End user contracts contemplate security, transferability, firm price
- Track record of service delivery

#### Restructure Completed

- Expenses and Staff restructure completed for business optimisation
- Long term budget cash flow strong from CTP implementation

#### **COMPANY STRATEGY**

## SHORT TERM

- Delivery of the CTP on time and on budget January
  2019
- Convert OnTRAC registrations to paying subscriptions
- Optimise operating/cost platforms CTP
- Leverage Commercial Link fleet management subscription uptake through GM OnTRAC customer base
- Deliver cash flow positive operating business model from GM OnTRAC subscriptions
- Source and appoint CEO
- Unlock near term business value of company for shareholders

## MEDIUM TERM

- Develop and build a highly capable management and sales team to implement growth strategy
- Convert dealer experience with CTP to Commercial Link expansion
- Development of additional software solutions in GM administrative eco-system
- Expand customer base outside GM i.e. non OEM users
- Leverage GM telemetry access to pursue synergistic opportunities in the telematics space
